Brothers and Sisters in Christ:

The manual Locating a Pastor was written at the request of the Pulpit Committee of New Covenant MCC in Cypress for the congregations of the UFMCC toward selecting Pastors and filling empty pulpits and is being successfully utilized.

This manual is rapidly becoming an indispensable resource of information and guidelines especially for Directors, Deacons, Student Clergy and staff persons of local churches. It is clearly and easily directed toward assisting congregations in the process of locating and selecting new Pastors. However, this manual can also be a valuable aid for any congregation.

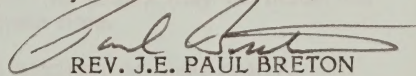

You are invited to obtain a copy of this manual for your personal purposes at the special pre-publication price of **\$5.70**. The final retail price of the manual is \$8.40. It is our belief that this manual will be of great help in furthering the ministry of the congregations of the UFMCC.

The Community of the Holy Cross in joint cooperation with New Covenant MCC is publishing this manual. This is the first of many manuals being produced for the benefit of the UFMCC. The Community of the Holy Cross is being formed as a resource agency as well as interjurisdictional community of religious men and women to provide services specifically to the UFMCC and also to selected other religious communities serving the needs of the Gay and Lesbian community.

Please complete and return the enclosed Purchase Form.

Praying for the continued success of your work, I remain
